PINOT NOIR

Borrodell specialises in Pinot Noir and cool climate varieties. At 1030m, one of the highest vineyards on the slopes of the extinct volcano Mt Canobolas, with an east-facing aspect, the vineyard receives glorious morning sun. As the dusk creeps across the valley, the mountain creates shadows, leaving the grapes with less exposure to sunlight, an ideal situation for Pinot Noir.

~ PINOT NOIR '12 BEST IN CLASS, ORANGE WINE SHOW 2015 ~

This grape is a classic cool climate variety, originating from Burgundy in France.

It is very susceptible to flavours in the soil. As a result, our Pinot Noir is fruit-driven, planted directly in front of the restaurant where previously apple and cherry trees flourished. Young Borrodell Pinot Noir is fruity with cherry and red berries flavours, whilst an older PN is finely balanced with creamy flavours of liquorice spice and bitter chocolate with a long smooth finish. Life is short – enjoy a real Pinot Noir!

		Bottle
2012	AWARD-WINNING Elegant varietal aromas of fresh, red cherry and raspberry, with underlying subtle French oak. A complex soft mid palate with a long and supple fine tannin finish.	160
2008	Delicate cherry fruit driven style with cherry pit, stalk and dark earth characters, The palate is well supported by moderate use of oak.	150
2007	The 24-year-old vines that produced this wine are amongst the earliest plantings in the orange appellation. A fruit-driven pinot with dark cherry and raspberry notes, supported by French oak and dark chocolate flavours.	190
2006	Delicate cherry aromas, lean cool climate varietal pinot noir. Raspberry and undergrowth, lightly oaked with fine tannins.	140
