WE ARE DELIGHTED TO WELCOME YOU TO THE BOOZY ROO WINE CLUB AT BORRODELL!

Please fill in the form and we will send you some wines! It's as easy as that. You will also receive updated news from the vineyard via our e-newsletter. (Please note: we will be sending wines after processing payment).

Borrodeell Estate is set on the picturesque slopes of the extinct volcano Mt Canobolas in the Central West of NSW. Surrounded by cool climate grapes, heritage apples and native bushland, Borrodeell is one of Australia's highest vineyards, with spectacular views across the beautiful Towac Valley towards the township of Orange. Not only do the fertile basalt soils play an important factor in our wines, but altitude also determines what we can, and can't grow. Borrodeell is over 1030 metres above sea-level and the alpine climate ensures four distinct seasons with true intensity.

SPRING, and the apple, plum and cherry blossoms cloak Borrodeell with a visual and sensory spectacular that will make your senses reel. A definite must-have aperitif would be our vintage French-Champagne styled *sparkling wine*, or a lightly oaked *Chardonnay*. SUMMER are warm days and balmy nights on the balcony with a bowl of huge juicy cherries and a crisp *Sauvignon Blanc*. AUTUMN is harvest time – spectacular golden colours of the vines and trees, cool nights and warm tranquil days. A glass of *Pinot Noir* will cause you to reflect on the season, life and your place in the universe. WINTER is cold and brings frost, snow and mist. *Cherry port* is ideal by a cosy open fire.
